Martyn Osment
Managing Director

Each of our assignments are individual and have their own challenges. We operate in most cases on a fixed fee basis, while providing a timescale to completion. We gather information from our clients and do some initial research to establish if we can assist. We then prepare a formal quotation. If this is accepted we send a letter of engagement and schedule of works, with terms of business and initial invoice. We commence work on receipt of funds.

Hourly Fee rates

Researcher -	£125
Investigator -	£175
