ITUS has worked for the top UK Law and Accountancy firms for over 10 years. We are a true worldwide organisation with agents in over 130 countries.

Contact us today for an informal discussion.

This Service is aimed at: High Net Worth individuals, Celebrities, Foreign Dignitaries, Royal Families.

ITUS operates a rapid response team of agents throughout the UK (currently training for worldwide roll

out), who are specialists in recording and reporting evidence. If a Client finds themselves in a situation that can be perceived as a possible criminal act, we support them.

We are able to arrive at the clients location quickly. We assess the situation and put a plan in action. This usually involves:

- Copying all evidence; be it DNA, CCTV footage, photographing the scene etc.
- We interview witnesses and take statements.
- Liaise with Lawyers. We have The best available including a QC that specialise in this type of case.
- Assess and advise what to do at the time and in the future.

It is important to point out that we do not tamper with evidence. We copy all we can so the Defence side has a clean and accurate copy of all the evidence before the Police take theirs.

As we know, mistakes can be made when gathering evidence, our service safeguards the client against these mistakes.

If you or your family find yourselves in this situation, we can help.
